Panos helps decorate for his first American Christmas.

Foreign Exchange

Panos Anninos, our A. F. S. sponsored foreign exchange student, comes from Thessalonike, Greece, and is now residing at the home of Mr. and Mrs. Earl J. Shaw and his American brother Terry.

Panos' interests are varied. He likes to play the guitar and enjoys watching football. He is studying the academic course.

The carvings were handmade by Miko's mother as a gift to the Sims.

From Kyoto, Japan, comes Mamiko Matsuno, who is sponsored by the International Christian Youth Exchange. Miko, as she is called by everyone, lives at the home of Mr. and Mrs. Robert Sims with her American sister Chris.

Miko is a member of M-Section, Y-Teens, and A.F.S. She plays the piano, enjoys cooking, likes to make flower arrangements, and is skilled in the art of Japanese paper folding. She is studying the academic course.

Homecoming 1966

The charming Miss Dorothy Ferguson escorted by Mr. Jeffrey Bell reigned over the 1966 Homecoming, "Rhapsody of Roses."

The formal Homecoming assembly took place in the school auditorium. The stage represented five red rosebuds which seated the attendants, while a rose in full bloom served as the queen's throne. Miss Janet Campbell and Mr. David Sites were this year's Mistress and Master of Ceremonies.

Dorothy was crowned by last year's queen, Miss Carol Smucker. Football tri-captains, Mr. Jimo Adams, Mr. Walden Jefferson, and Mr. Ronald King, presented her with the traditional football.

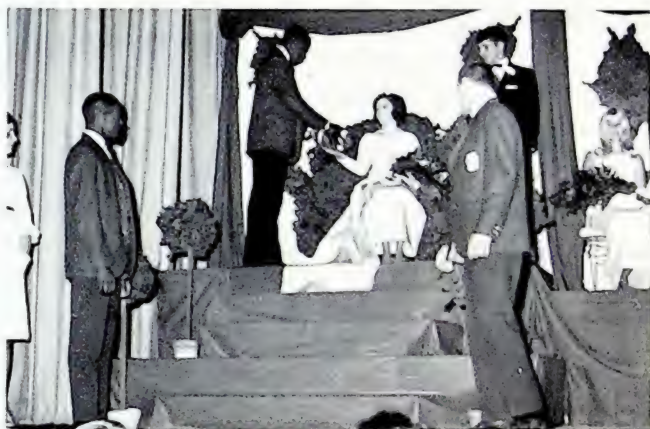

The program also included music by the school orchestra under the direction of Mr. Percy Hall and a vocal solo by Mr. Jamie Davis. This year's guest speaker was Mr. Fred Hout, president of Barnes Manufacturing Company.

Phil Browarsky and Jeanne Shaull, Ric Wright and Sue Saprano, Charles Hayes, and Martha Reid.

A bonfire and a mass migration to the city square were important events that took place before the Massillon football game. Pep assemblies varied from a mock funeral for the opposing team to the initiation of reserve cheerleaders.

Under the excellent leadership of Jakob Zeiss, president; Dan Porter, vice-president; Gail Horvath, secretary; and Jeanne Shaull, treasurer, the Student Council sponsored many functions for the benefit of school and community.

One of the outstanding projects during the school year was the Christmas basket drive. Through the ambition and hard work of the group, they were able to distribute food baskets to one hundred needy families in Mansfield.

In the area of school projects this year, the Student Council planned Twirp Week, organized the running of all student elections, operated the candy machine, and organized the track assembly, which includes the Mansfield Relays, the Student Council planned for housing of the visiting track competitors.

The student government had a very busy and successful year. By giving of their time and efforts, the members were able to carry on many worthwhile projects.

"We feel we have had a successful season. We feel we accomplished a great deal this season, but we still have a lot of work to do to reach our ultimate goal."

This was the view of coach Gary Prahst as the 1966 Tygers ended with five wins, four losses, and one tie. Although M. H. S. was very often outsized, the Tygers were never short of courage. They gave all they had every minute of every game.

Mansfield opened the season with 27-8 and 20-8 victories over Cleveland East and Columbus West respectively.

Then followed a hard-fought battle with Massilon Washington. With the clock ticking away the final seconds, Mike Swarn attempted a field goal from the Massilon

35. Swarn's 45-yard kick had all the distance needed but was slightly off to the left. The game ended 0-0 and Mansfield became the only team to shut out Massilon this season. Coach Prahst quipped, "You can't lose if the other team doesn't score."

In the third game Mike Swarn kicked a 33-yard field goal with just over five minutes remaining to put the Tygers ahead to stay 15-14, and the record of M. H. S. jumped to 3-0-1.

Senior, fighting hard in the next games was in the short end of the score in four of six contests.

Injuries played a vital part in the ups and downs of the Tygers, but the "never say die" attitude was never abandoned.

Hustle A Valuable Asset To Tygers

Jefferson and Madison bury an opposing ball carrier for a short gain.

Larry Pruett pulls in a pass for more Tyger yardage.

Dave Hallabrin makes a big gain as the defenders try in vain for the tackle.

Coach Prahst has an optimistic outlook for next season. "The Buckeye Conference pre-season favorites will be Sandusky, Lorain, and Admiral King. We will be in an excellent position to challenge for the championship if we can stay away from injuries. We will be ready to answer the call for the 1967 season with eagerness and great anticipation."

The Tyger Reserves fought a winning season this year with a 5-3 record. Four of these games were shut-outs.

In the opening game, the Mansfield Junior Varsity beat Galion in a great victory. The high morale of the team carried through in the next game when the Reserves whipped Lorain Senior.

Massillon, said to have one of the best reserve squads in years, was too much for the Reserves. The next three games for the Junior Varsity were outstanding. Madison, Marion, and Fremont fell to the fighting Tyger Cubs by shut-out scores.

The highlight of the season was the game against Madison. The officials called back four Mansfield touchdowns, but the Rams were still beaten 38-0.

The last two games against Admiral King and Sandusky were hard ones for the Junior Varsity. Mental and physical let-downs kept the Reserves from victory.

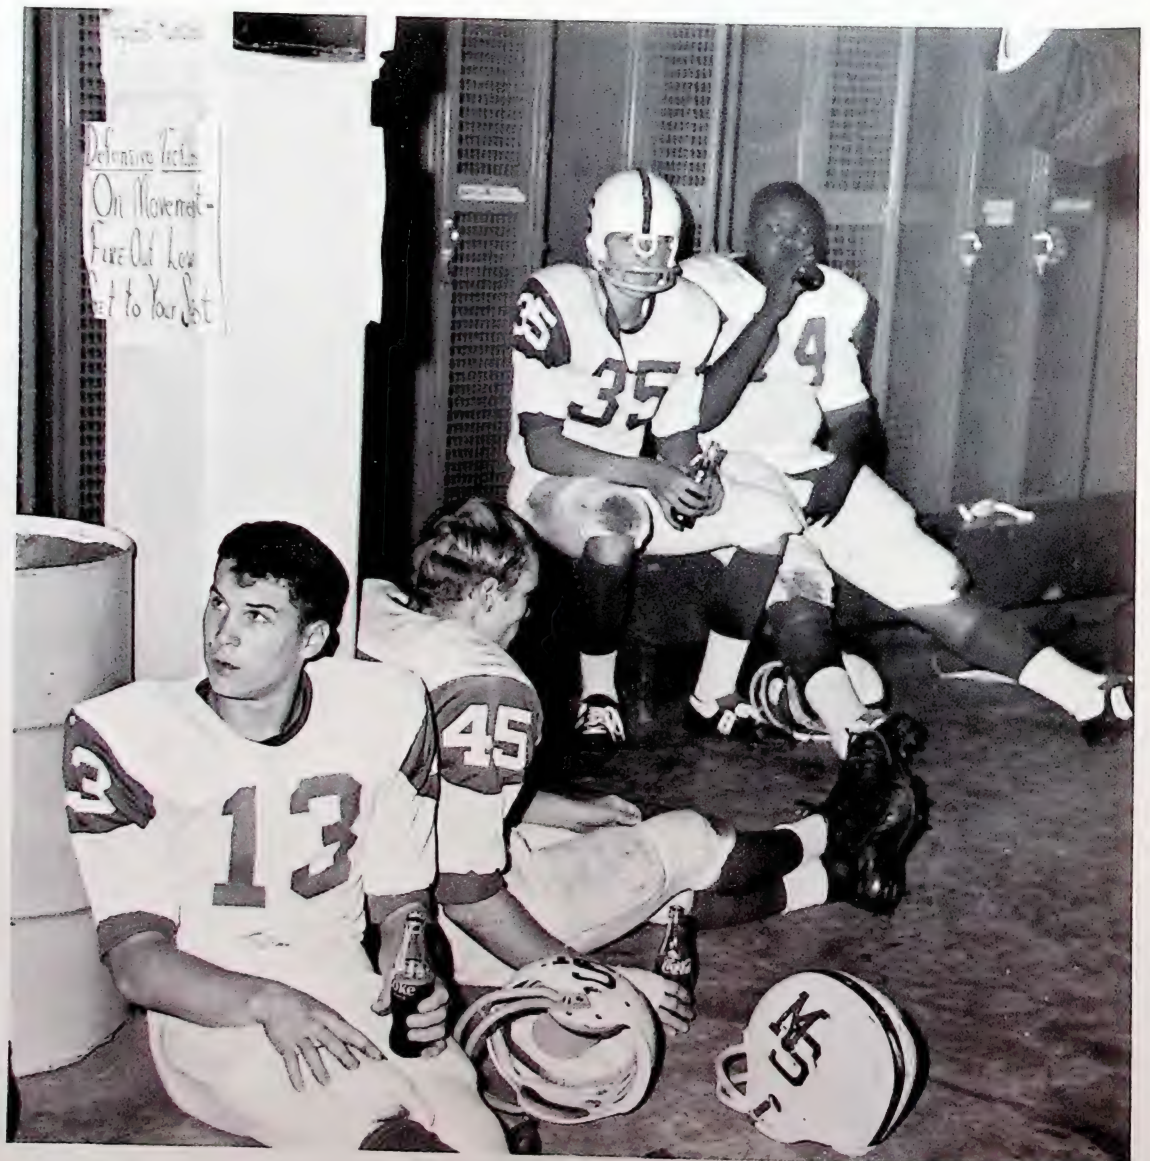

Coach Roessler and his assistants, Coach Castle and Coach Curtis, did a tremendous job with the team and are expecting much from next year's Varsity team.

Mark Smith shows the form that made him outstanding on the Reserve squad this past season.

Larry O'Daniels started strong for the Reserves.

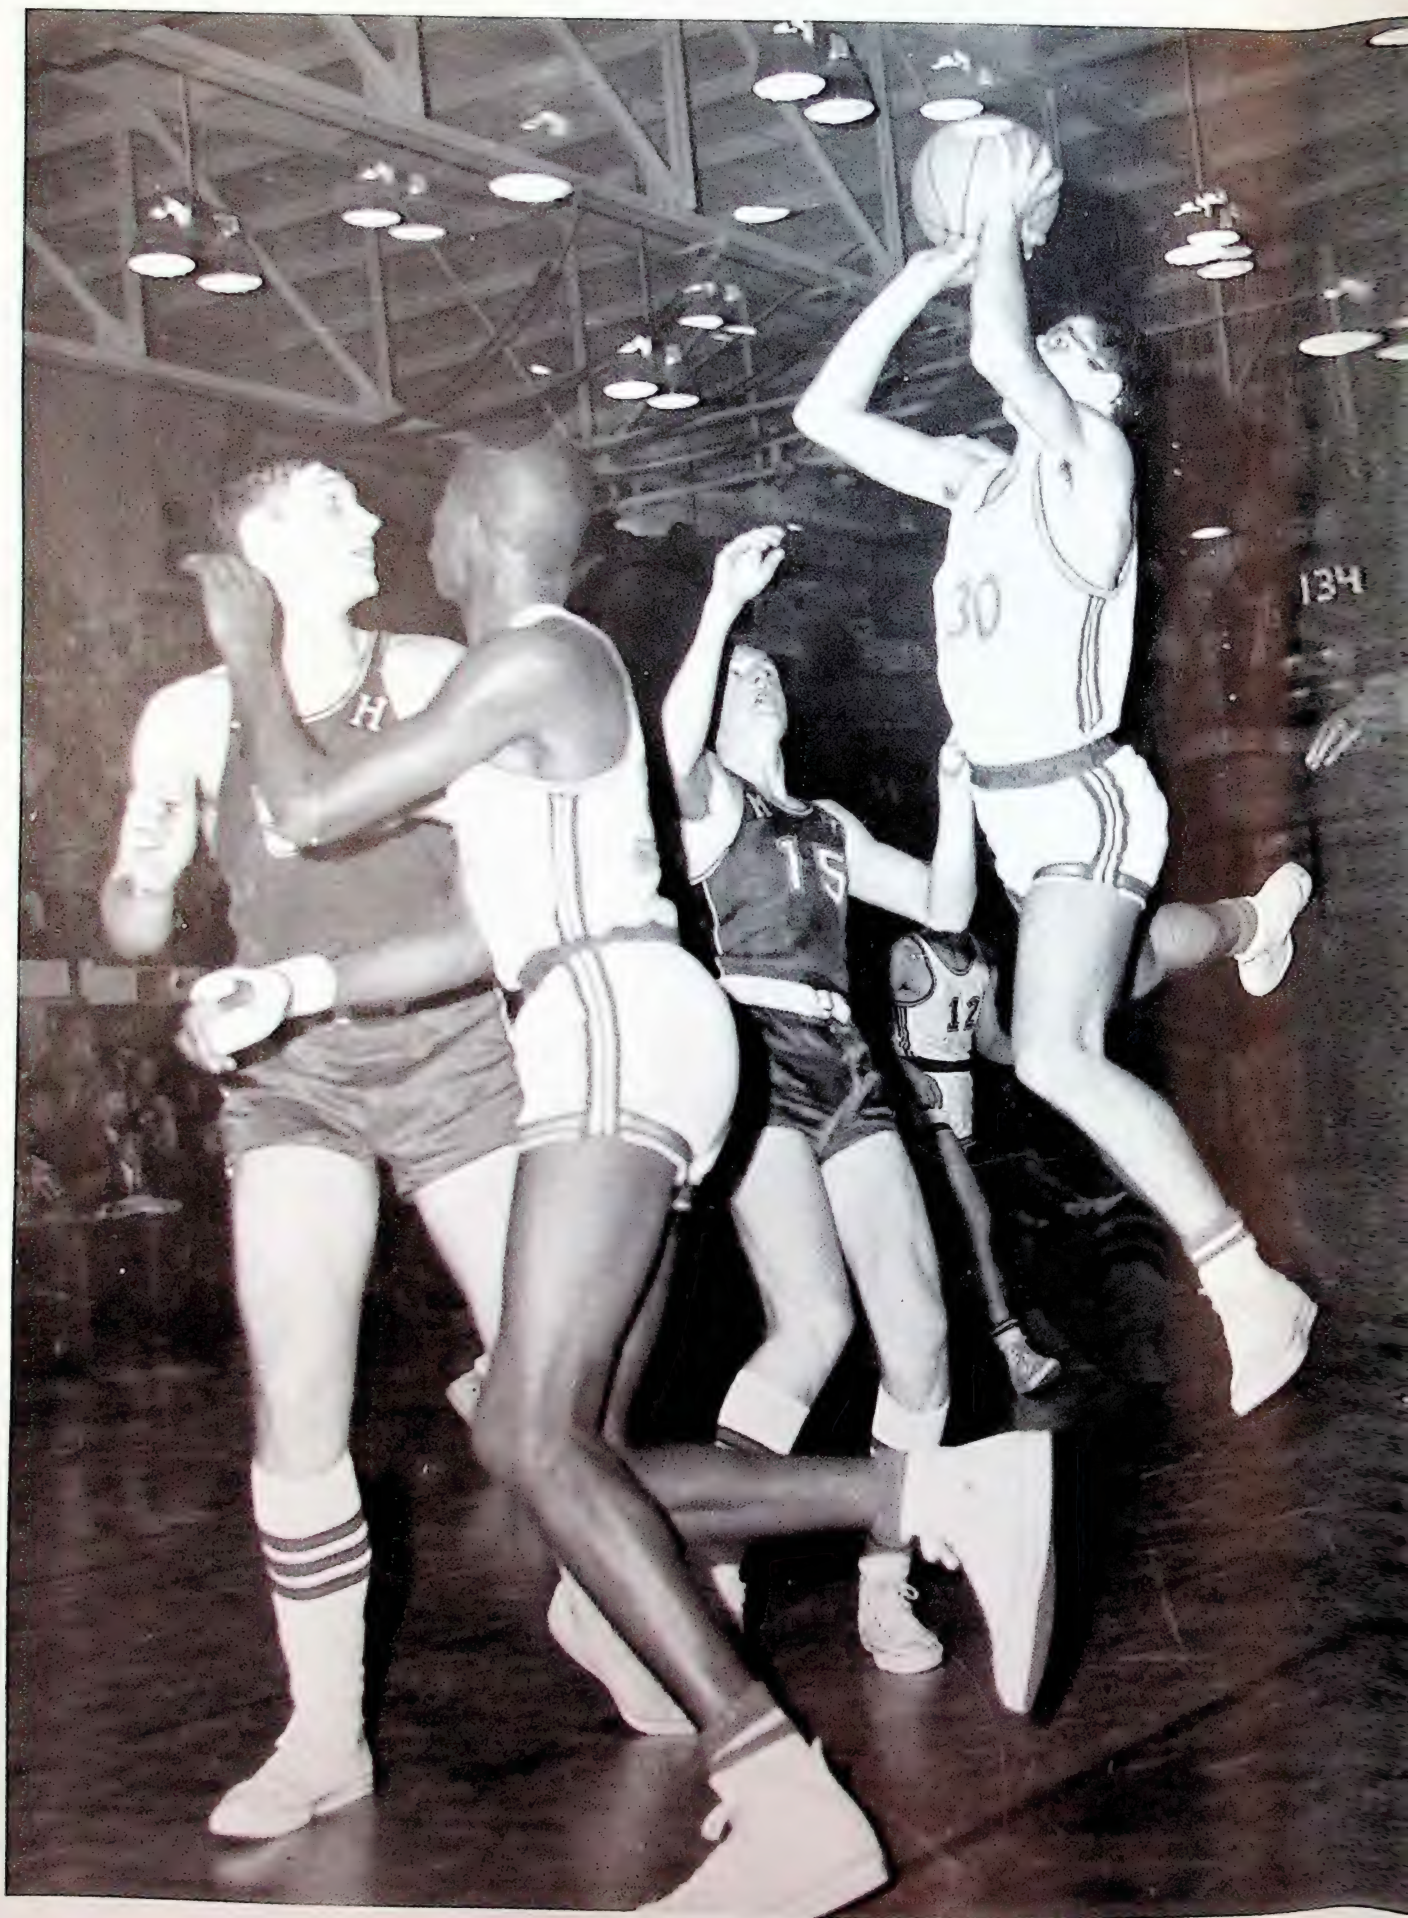

The Cross-country team, which posted a 4-3 record of the season, placed in the regional meet and was second in the District. They also gained fourth place in the Buckeye Conference. Junior Denny LaRue was the most valuable runner for the second straight year. He was only bested in one meet during the year. Captain of this year's Cross-country team was Senior Bob Bigelow. Coach Harry Mehock stated that though the record wasn't impressive, it was a very good season. Trouble struck two of the starter during the season when they received injuries.

Since 1959, the fighting Tiger Cagers haven't had a better season than this year's. Winning the Sectional Tournament and finishing the season with a 13 10 record, the Tygers proved to be a powerful team. The Tygers had a tough schedule but won half the games in their regular season, 9-9. All Tiger supporters were proud of Dinger's appointment to the first team All-Ohio and Mike Swarn's appointment to third team All-Conference. Winning Season For Tankers

Coach Roessler and Captain Dave McGinty discuss the meet.

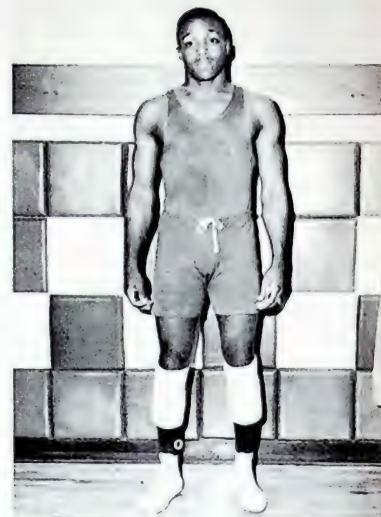

In his first year as swimming coach, Mr. Clarence Roessler led the Tyger tankers to a winning season finishing with a 8-6 record in dual meets.

Dave McGinty, as captain, supported the team in many victories, swimming the backstroke and freestyle. The strongest swimmer on the team was Jim Cashell, whose best stroke was the butterfly. Dean Olson in the 400 yard freestyle was another of the team's strong swimmers. Sophomore Jim Imler helped the team in the backstroke competition.

Dave Shulko and Lawrence Davis practice moves as Bob Bigelow looks on.

Tyger Grapplers Win

Although the wrestling season was not one of success, as shown by its record of 2-8, it was one of excitement due to its many close contests. Many times the wrestlers came within one, two, or three points of winning. The team had impressive wins over Massillon and Bowling Green while losing close ones to Ashland, Madison, Fremont and Sandusky.

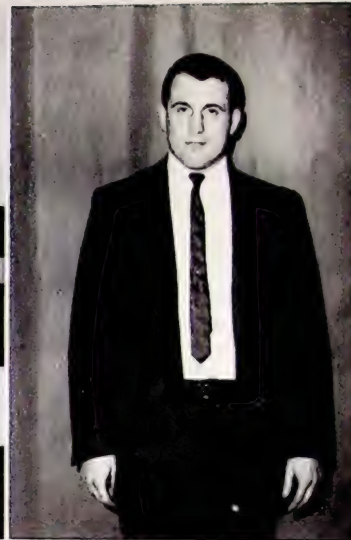

One of the highlights of the season was the winning of the J.C. Gorman Wrestling Tournament. In this tournament Senior High had these individual champions: John Holt, Bruce Drye and Steve Glaze. This success, however, was followed by the Buckeye Conference Tournament in which the team was only able to take sixth place.

The ultimate goal of the season was to be able to send at least one member of the team to the State finals. When the Sectionals arrived the grapplers were ready. Senior placed three in the District. These were Bob Bigelow, Bruce Drye, and Steve Glaze. Of these three, Bruce Drye was able to gain a berth at the State Championships for the 154 pound class at Columbus.

This year the Tyger grapplers were led by co-captains Bob Bigelow and Clarence Jacobs. The outstanding wrestlers were Bob Bigelow (11-2-2), John Holt (7-2), Bruce Drye (14-4), and Steve Glaze (10-5-2).

Junior Achievement

"Eureka!"

Junior Achievers "learn by doing" through a program of producing and selling. Junior Achievers met one night a week to organize and manage miniature companies modeled after sponsoring firms. These miniature companies were created in the fall when each member sold stock to raise capital. The members used this capital to produce a product which was sold to gain profits and to make their business a success. Each of the seventeen companies had four officers and a board of directors. Mr. Robert Dahill was this year's executive director of North Central Ohio Junior Achievement.

This year Debate Club debated the topic "Should the Foreign Aid Program be limited to non-military assistance?" All year was spent gathering material and debating on this one topic. This same topic was used by debate clubs all over the state in weekend tournaments. Guided by their advisor, Mr. John Gibson, Senior High debaters battled with other debaters in the state at Malabar High School, Sylvania, Bowling Green, and Toledo. Keeping abreast of social and world problems, club members gained much experience in viewing a situation from all angles.

College Club

College Club, advised by Mrs. Virginia Imhoff and organized to aid college-bound students, centered its activities around the College Night Program held in the spring. This program was created as a new approach to college preparation for underclassmen. 1967

The graduating class of 1967 started out 508 strong as Sophomores in September of 1965. The Sophomore year was one of adjustment, anticipation, and hard work. Elected to lead the class were President Mike Smith, Vice-President Tom Dinger, Secretary Geri Stone, and Treasurer Carol Smucker. The major money raising project of the year was a spring candy sale. The Sophomore prom, "Enchanted Evening," brought a close to a very productive year.

The Junior year brought with it additional responsibilities and projects. Homecoming, which was entitled "Deep Purple," was the first and one of the biggest projects of the year. Other projects carried out during the year included a candy sale, a bake sale, class rings, car washes, and collection of class dues. A fine job of leadership was done by President Mike Smith, Vice-President Charlie Brown, Secretary Geri Stone, and Treasurer Carol Smucker.

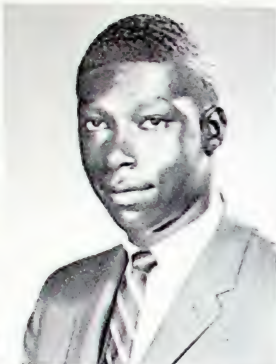

As Seniors, the class of 1967 faced one of the busiest and most important years of their lives. In September, one of the most successful dances of the year, sponsored by the Senior class, was held after the Tygers tied Massillon. Midwinter found the Seniors concentrating their efforts towards earning money for graduation expenses. Some projects included were sponsoring a local dance at the Inferno, Senior announcements, and the Mr. Senior High contest. The 1967 version of Varsity Varieties, "Dream With Me," was a great success. Shortly after Varsity Varieties, Seniors made their contribution to the world of drama with the presentation of the delightful comedy "Gramercy Ghost."

Highlighting the closing activities of the year were Graduation, Baccalaureate, and the Senior Class Prom held at the Leland Hotel in June.

Junior Class Executive Committee

Class of 1968

With class elections only two weeks after school began, the class of "68" entered into their second year at M. H. S.

On October 28th they revealed one of their first projects of the year, Homecoming. With the work of many committees their theme, "Rhapsody of Roses," was carried out in a colorful yet elegant style.

The Executive Committee, which met

on Tuesday mornings before school, planned many money making projects during the year. A very successful candy sale in the fall was the first. Others were dances, class rings, class dues, bake sales, a swim party, and a car wash. A suggestion and complaint box was placed in the counselor's office to give Juniors an opportunity to voice their opinions and suggest possible projects.

Sophomore Class Executive Committee

Class of 1969

The class of 1969 organized itself early in December with election of class officers. These newly-elected officers led the class executive meetings held every Tuesday morning with the purpose of keeping the six hundred Sophomores informed of class activities.

Leading the list of money making projects for the class was the sponsoring of a dance on January 27. A candy

sale held in the spring was the main project of the year.

Class business also included selection of class rings and collection of class dues.

The Sophomores' rewarding first year at M. H. S. ended with the Sophomore Class Prom, held in Pete Henry Gymnasium on May 13.

Thanks...

Throughout the past school year, we, along with our staff, have worked on this Manhigan to preserve for you the memories of 1966/67 at M.H.S. Sometimes we have worked the staff very hard, but we hope that now they can understand why. We want to take this opportunity to thank them for all they have done, and most importantly for all the hard work they have put in on this, the 1967 edition of the Manhigan. Two staff members should be thanked for their work on what sometimes turned out to be the most difficult aspects of putting together a yearbook. First, Gary Kirkpatrick for all his time spent taking most of the pictures in this book, and for doing an excellent job of it. Sometimes this can be a very tedious job, but Gary was always there when we needed him. Secondly, thanks to the most able and genial typist the Manhigan ever had, Shirley Sampsel. Without Sam and her jokes and many sayings, it would have been pretty hard work a lot of times. Shirley had quite a few hard jobs as typist, and we really appreciate all the time she put in on this book.

We especially want to single out one man whose help and guidance we appreciate more than we can say--our advisor Mr. Dave Gross. Along with his advice, he gave us his good humor, and also something more. He created a bridge between student and teacher that made everyone feel as though we were friends, not just students. Thanks Mr. Gross for everything.

Thanks also go to Mr. Earl Parks, our American Yearbook Advisor, who helped us with his informative consultations, and to all faculty members and the principals who were so understanding when their classes had to be interrupted for Manhigan business.

Finally, thanks to you, the students of Mansfield Senior High School, without whom there could not have been a Manhigan at all.

So, our Manhigan is completed, but only for one year. The spirit of '67 will live on in '68 creating new stories for the 1968 Manhigan.

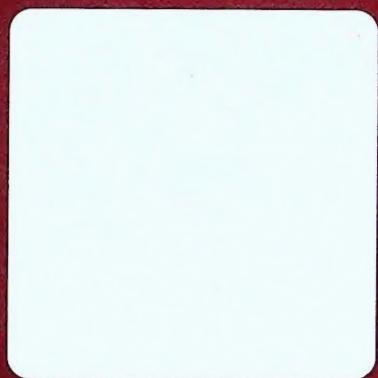

We wish next year's staff best of luck on their book.

Again, we would like to say thanks to everyone involved for helping us to put together our story.
